ARC

Biography

Amsterdam based Arc was born in the heart of the Mediterranean. His musical path from an early age has been one of experimentation, and his passion has turned into a journey blending different genres and styles to create a sound that is uniquely his own.

Inspired by the French disco heritage and the nostalgic synths with melodic patterns blending the power of alternative rock tunes with acid-beat lullabies and engaging progressing melodies. His endless love for the music dragged him to reflect his musical taste to listeners to take them on a journey.

HOW IT ALL STARTED

August 2018
Blackrock City
) (

Believe it or not, he was asked to perform at Burning man on one of the most spectacular art-cars of the Playa, and he travelled between the continents for the very first time to perform at Tetrix Village - Stargazer art-car in USA at Burning man!

October 2018
Amsterdam

He found himself playing in Amsterdam that he has been residing since 2015, for his debut in the legendary club, 'Claire', a signature venue in the history of Amsterdam night life...

December 2018
in Istanbul!

Travelling back to his town, to Istanbul! Another milestone was achieved.. Day to not forget, longest night of the year.

2019
Year of Debuts

2019 was the year of debuts in different cities across Europe, UK and Turkey. He performed in spectacular venues and festivals in Berlin, London, Lisbon, Sardinia, Bodrum, Cappadocia and others in where he shared stages with his favourite djs and producers.

2020 *
His first release

Muzike, a track was born and named as such to reflect his heritage, Istanbul. His first track was released on 'The Monastery 2020' compilation in June.

An organic deep house track was composed in which you can hear Arc's own voice, a poem as written by him, about dance and music...

The Monastery 2020 album was compiled by various artists, such as, Madmotormiquel, Parallele, Maga, Menachem 26, Franca, Glauco Di Mambra, Niko Schwind, Amine K, Unders..

2021
Amsterdam
Dance Event

Dream came through and Arc was playing for the Amsterdam Dance Event (ADE) at Westerunie, for a cult event from The Gardens of Babylon, and once again alongside with world-class artists such as Damian Lazarus, Deer Jade, Budakid, Elif, Mimi Love, Parallele, Madmotormiquel, Franca, Kerala Dust, Jan Blomqvist, Mira, Chris Schwarzwald, Oliver Koletzki and others.

2022 & Onwards
years of growth

Growing DJ, Arc music, quickly made a name for himself on the electronic music scene with his mesmerizing beats and unique sound. After gaining traction, he was landing for his first gig in the legendary party destination, Ibiza and he had his debut in 'The Island' at Las Dalias - Akasha Club during the 2022 season opening. During the summer of 2022 & 2023, he had gigs in some new destinations such as France & Morocco and he showed that anything is possible with hard work and a love for what you do.
